

May 14, 2024

Dear COGR Primary Representatives,

We are writing you to provide notice of COGR's membership dues for Fiscal Year 2025, which begins August 1, 2024. As you may recall, in our [July 25, 2021 letter](#), we indicated that COGR would make a cognizant effort to make small, incremental increases in dues each year that roughly track the rate of inflation. In line with what most organizations do, this prevents larger increases from occurring every few years and hopefully allows institutions to better plan and budget for their institutional member dues each year.

In this regard, effective August 1, 2024, the annual COGR membership dues will be \$12,000 per institution, a \$500 increase from FY 24. Invoices will be available for download in the COGR Portal beginning June 1 and are payable by check or EFT/ACH transfer.

The advocacy and educational outreach efforts that COGR provides on behalf of its membership are supported and made possible by the expertise and efforts of individuals at our member institutions, and by our member's financial support through annual dues. Your institutional dues cover all staff at your institution and provide access to [COGR Member Benefits](#), many of which are accessible through the [COGR Member Portal](#). Your membership benefits also include [the ability to register for meetings and webinars](#) and the release of regular [updates](#) to the membership addressing current, rapidly evolving federal policy affecting research institutions across the U.S.

If you have any questions, or suggestions for how COGR might better serve its members, please don't hesitate to contact Toni Russo, Assistant Director of Member Engagement & Policy at memberservices@cogr.edu.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey Silber".
