of American
Scientists**

FEDERATION OF AMERICAN SCIENTISTS

Reminder: The Annual Budget Process at a Glance

Non-Defense Discretionary Funding Could Be Cut Significantly Under House Republican Pledge to Reduce Total Appropriations to 2022 Levels

Cuts in non-defense discretionary (NDD) funding, 2023 to 2024, in three scenarios under House GOP pledge

Note: Each scenario assumes total 2024 discretionary appropriations are set at 2022 levels. Years are fiscal.
