We will be opening registration soon but wanted to provide you with a few details ahead of time to 'save-the-date' and aid in your planning and budgeting.

Health and Safety Protocol

Accordingly, this in-person meeting will be conducted in accordance with CDC, local, and hotel guidelines, policies, and ordinances. Like many organizations returning to in-person events, we will be requiring that all attendees be fully vaccinated against COVID-19 ([as described by the CDC](#)) and we encourage attendees to be [up-to-date](#) on their COVID vaccinations prior to the meeting as well. For this meeting, there will not be an exemption or testing option. As a condition of registration, attendees will be expected to review and comply with [COGR's Meeting Health Safety Protocol](#) (which may be amended if necessary due to updated federal, local, or hotel guidance).
