

COVID-19 Research Impact - Pulse 1

Thank you for participating in our COVID-19 Research Impact "pulse questions" every two weeks, to help inform your constituents.

As always, all responses will be reported in aggregate and de-identified.

For any questions on this survey, please contact COVID19@cogr.edu.

1. Please confirm your contact information.

First & Last Name

Email

2. Is the institution for which you are responding a(n): Please check all that apply.

- ☐ Degree-granting institution
- ☐ Academic medical center(s) (i.e. clinical enterprises)

☐ Independent research institution

3. If your institution's on-campus research activity was 100% before the pandemic, at what percentage level would you estimate it is now?
If there is none, please enter 0.

%

4. Thinking of the **latest** fiscal year (current or upcoming) for which information is available, please check all statements that apply. *

	None have happened or are planned	Some have already occurred	Some are planned	Some are under consideration	Contingent on whether OMB extends June 17 flexibility
Research faculty & staff furloughs	☐	☐	☐	☐	☐
Research faculty & staff salary cuts and/or freezes	☐	☐	☐	☐	☐

5. What best describes the status of campus-based research?

- ☐ Reopening is underway
- ☐ Plan to begin reopening by mid June
- ☐ Plan to begin reopening by mid July
- ☐ Plan to reopen later in the summer

☐ No timeline right now

☐ A different plan:

6. After ramp-up, how confident are you that your institution will be able to fulfill its research objectives on schedules that are acceptable to funders?

Not at all

☐
